

12 March 1982

MEMORANDUM FOR: Executive Secretary, NFIB  
FROM: Chm/IHC  
SUBJECT: Proposed Revisions of DCIDs 1/4 and 1/15

1. At the IHC meeting of 11 March, concurrence on the IHC DCID, as previously submitted to the DDCI, was unanimous with the following two exceptions:

a. The Committee adopted a minor amendment (proposed by CIA) in the wording of subparagraph 3a which made no substantive change.

b. There was considerable concern over the exact wording of subparagraph 3d dealing with data standards.

2. As a result, I tasked the members expressing concern to submit in writing their proposals for amending subparagraph 3d within two weeks. The next meeting of the Committee is 16 April. Final action on the proposed DCID is postponed until that time with the understanding that all portions of the proposed DCID were closed to further discussion or reconsideration with the exception of subparagraph 3d.

3. I therefore anticipate presenting a final version of the DCID to you on or about 19 April. I anticipate that it will have the unanimous concurrence of all IHC member agencies, and that it will not differ in any substantive way from the draft previously submitted to the DDCI.
